

2nd KIS Partnering Forum

Rome

11 & 12 February 2010.

The event is organised by the [Knowledge Intensive Services Innovation Platform](#) and will be hosted by BIC Lazio, at the ITech Incubator of the Polo Tecnologico Tiburtino.

Anyone interested and active in service innovation or entrepreneurship and financing in this area should join the two-day event to listen to speakers such as:

Thursday, 11th Feb,

Dr. Dagmar Simon ([WZB Social Science Research Center Berlin](#)), Marie-Ange Andrieux (Business Europe), Luigi Campitelli (BIC Lazio), Prof.Dr. Andreas Knie ([WZB Social Science Research Center Berlin](#)), Prof. Fabio Iraldo (IEFE), Kadri Uus (Baltic Innovation Agency), Doris Kirschner (Paris Region Innovation Center), Matthias Holzner (MFG Baden-Württemberg), Robert Sanders (EBN), Frank Salzgeber (ESA European Space Agency) and more...

Friday, 12th Feb,

Dr. Gertrude Leimüller ([Winnovation](#), creative wirtschaft austria), Marja Toivonen (Innovation Management Institute), Jette Nohr (Danish Services Industries Federation), Anna-Maija Rautiainen (Tekes), Riachard van der Walle (SenterNovem), Irene Martinsson (Vinnova), Paul Pietyra (Netkoé), Carlo Donzella (Filas), and more...

The event will be focused on generating policy insights and thought leadership debates on the Knowledge Intensive Services sector and the programme will discuss topics such as: What regions can do for Knowledge Intensive Services companies, New ways for delivering innovation support, New ways for supporting user-driven service innovation and New ways for facilitating access to finance.

The event will also look at the sectors of ICT & Digital Media, Energy & Environmental services and Mobile Services & Space and experts and entrepreneurs from these areas will discuss the main challenges and opportunities within these domains.
