

The European Network of Space incubators

eSINET

www.esinet.eu

A platform of successful **space and satellite** Tech transfer applications

ESINET is :

- An **interactive** community of **start-ups, spin-offs, entrepreneurs** and **early-stage ventures** sharing a common interest in **innovative space & sat technologies, systems and applications**.
- A network of **innovation and incubation centres**, including the 4 **ESA-BICs** located in ESTEC, ESRIN, ESOC and AZO and specialized **EBN BICs**.

ESINET Main Objectives

- **Promote** use of space connected technologies, systems and innovation services for the creation of new enterprises and the development of existing SMEs
- **Facilitate** technology transfer from space to non-space sectors
- Establish and **develop strategic transnational partnerships** and networks among incubators and SMEs
- **Raise awareness** of ESINET services to its members
- **Help start-up enterprises** to get access to finance, advice on IPR and legal matters, networking and marketing opportunities
- Create critical mass of key players and **attract private investors**
- **Represent the interests** of the ESINET incubators and their SME's community with the European Commission, European Space Agency, national and regional bodies

Our services

- **Local awareness road shows**
- **Privileged access to**
 - ESA technical expertise (voucher scheme to access ESA labs)
 - Specific international events & trade fairs (Toulouse Space show, Airshow Paris, IPTEC, EUNAVTEC, others)
 - ESA investment tools (ESA Investment Forum, ESA investment readiness training)
- **Networking opportunities** with key players & industry.
- Development of a **quality assurance tool** supporting the label & brand "**ESA-BIC**"
- Building and **animation of a community of relevant ESINET entrepreneurs** (database, success stories, Alumnis Club)
- **Promotion & communication**
- Development of **European Funded Projects** (EC, GSA,..) in relevant areas: Invesat, Navobs+, KIS4SAT (all three coordinated by EBN).

EBN - Av. de Tervuren 168 – box 25 - Brussels 1150 - Belgium.
